

America's Voice For Conservation, Recreation, and Preservation

July 6, 2011

The Honorable Harry M. Reid
United States Senate
522 Hart Senate Office Building
Washington, DC 20510

The Honorable John A. Boehner
United States House of Representatives
1011 Longworth House Office Building
Washington, DC 20515

Dear Majority Leader Reid and Speaker Boehner:

We are a broad coalition of organizations representing millions of members with very diverse political backgrounds and areas of interest united behind a shared belief that natural resource conservation, outdoor recreation, and historic preservation, and investments in them, are vital to the future of our great nation.

Like you, we are concerned about our nation's fiscal health. The nation faces unsustainable future fiscal deficits, which must be addressed. As part of the overall solution to our deficit challenges, we know that conservation, recreation, and historic preservation programs will not and should not be exempt from scrutiny. We are willing to engage in a process to find further savings in spending, and review the economic and budgetary benefits of critical conservation, outdoor recreation, and historic preservation programs.

The Federal budget cannot and should not be balanced disproportionately on the backs of conservation, outdoor recreation and preservation. Doing so will impose on the future generations whose well-being depends on the conservation and preservation of our common natural and historic resources.

As a diverse community of taxpayers and voters who care about natural resource conservation, outdoor recreation, and historic preservation, we stand ready to work with you on serious efforts to address our nation's economic and fiscal challenges, as they relate to investments in, and tough choices about, the programs we care about. We urge this Congress to address the federal deficit while still investing in critical conservation, recreation and historic preservation programs in 2012.

Thank you.

Bill Meadows
